

## **Monica Kreuger, CEO Global Infobrokers Inc.**

### **Finalist for the Viterra Award for Business Leader of the Year**

Monica Kreuger is the founder and CEO of Global Infobrokers Inc., a firm dedicated to education and entrepreneurship all within a socially responsible framework. Provider of the first Self Employment Program in Saskatoon, she and her team have assisted over 700 people to start a new venture in the past 18 years through their Praxis School of Entrepreneurship.

Kreuger also designed and delivered marketing and entrepreneurship courses at the U of S for ten years. She spearheaded and received support from educational and private sponsors to launch Venture Forward \$100K Business Plan Competition, a province wide initiative to help post secondary youth launch companies. Most recently she co-founded Praxis International Institute, Canada's only private high school dedicated to entrepreneurship, environmental sustainability, and global citizenry.

Kreuger was invited to Chair Enterprise Saskatchewan's Entrepreneurship Council, honored with a YWCA Women of Distinction Award for Entrepreneurship, received the national Community Partner award for the Canadian Youth Business Foundation and named one of Saskatchewan's most influential women.
