

Mustard Capital Inc.

Finalist for the Saskatchewan Trade & Export Partnership Award for Exports

Mustard Capital Inc. (MCI) operates a dry mustard milling facility in Gravelbourg. The facility provides processed, high quality yellow, oriental and brown mustard ingredients to customers around the world. MCI provides a full range of mustard ingredient products including de-oiled mustard flour, bran and extracted oil. The company also cleans mustard seed.

MCI has 11 full-time and 4 part-time employees. The company is Kosher certified and is certified organic by OCIA.

Approximately, 60% of MCI's products are exported to the United States and 35% are sent to other countries. Since the company's inception in 2007, it has sold products to 15 different countries.

Currently MCI is targeting selected markets in Asia and in the Middle East for market expansion in 2009-10. Top prospective countries are prioritized from approximately 35 prospects that MCI has concluded offer potential revenue growth. Since it started operations MCI has generated a significant international profile which highlights Saskatchewan innovation and perseverance.
