

North Ridge Development Corp.

Finalist for the Canadian Bankers Association Award for Community Involvement and Finalist for the Service Award

North Ridge Development Corporation is the province's largest residential development and construction company, with offices in Saskatoon and Regina. The North Ridge team is constantly pursuing excellence in the quality of its product, the quality of its organization, and the quality of the home ownership experience.

The goal of the North Ridge Development team is to build a quality product that demonstrates craftsmanship and provides value for today's purchaser. The company maintains a common-sense, down-to-earth philosophy that fits well with hometown Saskatchewan sensibilities: the customer comes first, and customer satisfaction is the most important part of any North Ridge employee's job.

The company is committed to supporting the community in various ways, raising money for local charities and donating time to a variety of different organizations, including the Saskatoon Community Foundation and the Royal University Hospital Foundation. North Ridge is increasing its involvement in affordable housing in Saskatoon, with several projects currently under way and more in the planning stage.
