

## Picatic E-Tickets

Finalist for the Saskatchewan Research Council  
Award for New Saskatchewan Product

Founded by Saskatoon businessman Jayesh Parmar, Picatic is an online ticket and event management corporation. The built in event management software allows promoters the ability to create and manage events all in real time!

Picatic also provides the public with the ability to purchase event e-tickets 24 hours a day, seven days a week, utilizing the power of the web!

Picatic's easy to use event-management software provides promoters a global advantage to sell their tickets and increase the efficiency of ticket selling. Using the event management software, promoters have access to up-to-the minute reports, sales, receipts, and much more. Whether you're organizing a luncheon, conference, banquet, golf tournament or any other type of event that is selling tickets, Picatic's easy to use event management system and online payment gateway can assist in making your next event a true success.
